## Notes from Our Key 3

### Embracing the New Year and Exciting Changes Ahead

Randy Huffman | RESA Chair

As we step into the New Year 2026, we welcome a season of transformation and renewal. This year marks a significant milestone as we officially finalize our merger with the Golden Gate Area Council (GGAC), opening a new chapter for all our communities. With this transition, we are now part of the Redwood Empire Service Area, which includes additional districts such as Lake and Pacific Rivers (Humboldt and Del Norte Counties).

Within the Redwood Empire Service Area, we are excited to announce the formation of a new RESA committee. Our team, energized with fresh ideas and perspectives, is committed to working collaboratively toward the shared goals of GGAC. We warmly invite you to join us on this exciting journey. If you're inspired to contribute, please feel free to reach out to me or any of our leaders.

As part of the evolving GGAC, our council will soon welcome newly elected leadership – a dynamic mix of experienced individuals and fresh faces, many from

our area. This new leadership team will bring diverse perspectives and innovative ideas, all dedicated to addressing key priorities such as infrastructure improvements, economic stability, and sustainable growth. Their ambitious vision sets the stage for meaningful progress in the year ahead.

Let us embrace this new year with a shared commitment to serving our Scouting community with integrity, transparency, and creativity. Together, we can create a brighter future for everyone involved. While challenges may arise, our determination to make a positive impact remains unwavering. With renewed purpose and unity, our leadership team is ready to turn our goals into achievements, paving the way for a thriving GGAC and RESA in 2026.

The start of a new year brings hope, and with your support and involvement, the promise of progress feels more attainable than ever. Here's to a year filled with growth, collaboration, and shared success!

## RESA Individual Renewal Process:

### Ensure You are Not Overcharged

Every RESA family should use one of these four options when you are renewing the individual membership of your Scout or adult leader to ensure you are not overpaying your renewal fees. The Council Program Fee (CPF) for youth members of RESA is \$71 this year.

**Option 1:** Use our [GGAC event registration system](#), [BlackPug](#), to submit your discounted payment for yourself and any family members. Please note that your renewal in [my.Scouting](#) will not update immediately. Additional processing by our professional staff is required before the renewal updates in the national system.

**Option 2:** Begin your renewal in [my.Scouting.org](#) and, at checkout, select "Click to print for manual pay." Bring the printed paperwork to your local service center to complete your payment in person.

**Option 3:** Units may also collect renewal information and fees from their members. Begin the renewal in [my.Scouting.org](#), select "Click to print for manual pay," then bring the completed paperwork to your local service center to submit a single payment for the entire unit. Additional guidance on this process is available at [my.Scouting.org](#).

**Option 4:** Complete your renewal online through [my.Scouting.org](#) and pay the full CPF. This option allows your renewal to be processed immediately in the national system, but it does not apply the RESA-discounted rate.

Exploring youth, Exploring adults, and merit badge counselors are not charged a CPF and should continue to register and renew through [my.Scouting.org](#).

Additional information is available on [the RESA website](#).
